## Towable Diesel Rotary Screw Air Compressor

The BOSS Final Tier 4 DUT 110 is the perfect 110 cfm Towable Rotary Screw air compressor for operating a 90lb jack hammer and other pneumatic tools!

Light weight and easy towing for smaller vehicles plus easy access to control and service components via gas springed hinged canopy to open up to 180 degrees.

Powered by a 24.3 hp Kubota diesel engine, this design has two stage air filter and large 6.5 gallon fuel tank for full shift duties. Built with the contractor in mind, this compressor is a reliable asset on any job site. Providing 110 cfm at 100 psi, this unit is perfect for powering pneumatic tools, sandblasting and more.

### FEATURES

- Hinged canopy with gas springs for service access
- Torsion bar suspension for stable towing
- Fully adjustable height draw bar
- Choice of lunnette eye or 2" ball hitch
- Full shift fuel tank
