 AIR COMPRESSOR

Power, Efficiency, and Reliability for Every Job Site!

The Viper™ Gas Rotary Screw Air Compressor allows you to get in and out of the job site fast. With a large fuel tank designed for up to six and a half hours of runtime at a 70% duty cycle, this unit allows you to power through multiple projects without the need to stop for refueling. Its compact footprint saves valuable trailer or truck bed space for more tools. Low idle RPMs reduce noise, providing a quieter experience for you to work in. As if that wasn't enough, sensors automatically unload the compressor during startup, and the auto start-stop turns on with air demand. The heavy-duty 80 CFM and 100 PSI air pressure make this unit the ideal choice to operate: 90 Lb. jackhammers, 4" piercing tools, pavement breaking, monument engraving, irrigation services, post-pounding, directional boring, and more.

SPECIFICATIONS				
Model	G55	G60	G70	G80
Capacity (CFM)	55	60	70	80
Air (PSI)	175	150	125	100
Engine (RPM)	3600	3600	3600	3600
Engine (HP)	Honda® 25	Honda® 25	Honda® 25	Honda® 25
Fuel Capacity	10 Gallon	10 Gallon	10 Gallon	10 Gallon

Viper™ Gas Unit Dimensions (In.): 39L x 21W x 30H | 40L x 25W x 32H With Fittings | Dry Weight (Lbs.): 440

AIR COMPRESSOR

- Lifetime Warranty
- Rotary Screw
- Vanair® Encapsulated Air End
- Belt-Driven

ENGINE

- Honda® iGX800 EFI, 25 HP
- Gasoline
- 4-Cycle, V-Twin, Overhead Valve
- 10 Gal. Fuel Tank

INSTRUMENTATION

- Temperature Indicator
- Engine Diagnostic Lamp
- Hour Meter
- Digital Pressure Display

CANOPY

- Powder-Coated Galvanneal Sheet Metal
- Lifting Bail

MAINTENANCE

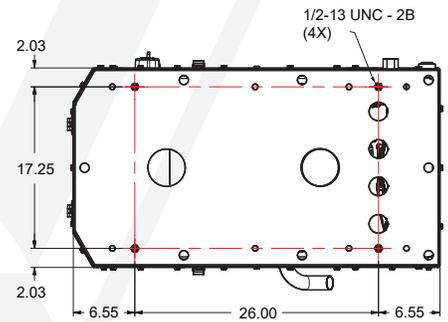

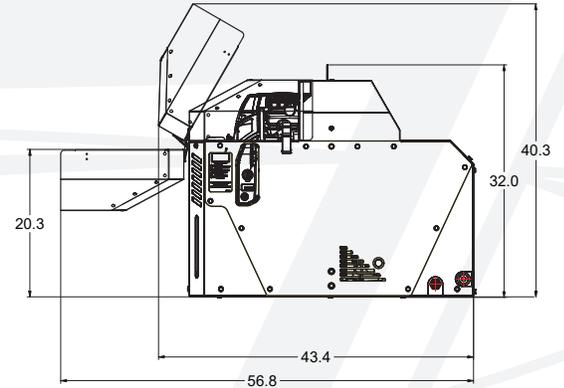

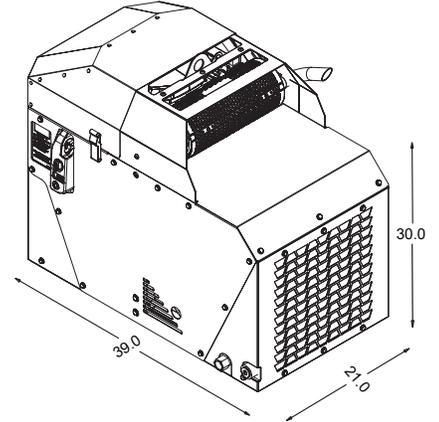

- Easy Service Access
- Removable Panels and Hinged Top for Serviceability

SAFETY EQUIPMENT

- Air Pressure-Relief Safety Valve
- Minimum Pressure Valve
- Automatic Blowdown on Shutdown
- Low Engine Oil Pressure Shutdown
- High Compressor Temperature and Pressure Shutdown

OPTIONS/ACCESSORIES

- Remote Start/Stop
- Remote Dual Pressure
- Cold Weather Package
- Service/Control Line Moisture Separators
- Filter/Lubricator/Regulator (FLR)
- Tool Oiler/Lubricator
- Air Hoses, Hose Reels, and Fittings
- OSHA Safety Valve (Velocity Fuse)
- CARB Canister
- Load Space Air Baffle
- Maintenance Kits
- Wheel Cart
- Trailer **NEW**
